Should children be allowed to
have mobile phones?
I'm an 11 year old girl and I believe
that children should be allowed to have
a mobile phone. Phones are amazing
and are convenient.
For example, if children get lost
upon arrival. All you have to do is turn
on the tv and you will see a hidden
number. Parents can call that number
to find their child.
So well on having your phone they can
make it so some people are able to call
home on their own. It's really good
to call their parents to tell them they are
going out they can
