

Class 3 homework

Random acts of kindness

Emil

- I have been asked by Emil to inform you that he made tea for Gemma and Bix. He made Clem's breakfast and he plunged the coffee. You will note he has done nothing for his parents.

Johnny

- Johnny has been very helpful and even before I told him about the homework he tidied his bedroom without being asked. He also wanted to spend his pocket money on Pokémon cards to give to his friends.

Iona

- Iona helped cook a risotto for dinner last night and she also made a friendship keyring for a friend.

Casey

- Casey has fed and walked the dogs this week which was a great help for her mum.
