Penguins  
Facts about penguins

Penguins belong to the bird family but they cannot fly.

a penguin

They spend half of their life on land and the other half swimming in the water so their wings have changed to act like flippers which helps them great swimmers.

swimming

South  
80000

Almost all penguins live in the southern hemisphere which is the bottom half of the Earth.

mor penguins

Penguins can walk faster than humans, they communicate with each other through body language.

faster

predators

Their biggest predators are sharks, orcas and leopard seals.

Class 2 have also been writing some penguin stories.

# Laila-Beth's penguin similes and story

Monday 18<sup>th</sup> January 2021

The penguin is black + white  
like a Zebra crossing.

The penguin flew rapid like  
an airplane.

The penguin is as small as a kitten.

His eyes are small like a pea.

His legs are short like a tiny

pencil. n. pointy

His beak is like a triangle.

## I can skate

One bright, sunny day the penguin and the boy they were playing in the park on the robot swing when the penguin saw the skate ramp the penguin said "What is that big green rampy thing over there?" The boy told the penguin it is the skate ramp. "Can I go on it?" said the penguin. The penguin and the boy went to go and buy 2 skate boards.

The next day they went to the skate ramp.

The penguin got on his first time and he cut his knee and bumped his head and he cried and he said "It hurts!" "Don't cry" said the boy. "I've got an idea!" he went to the shop the boy got a helmet and arm pads and knee pads for the penguin.

The next day the penguin felt happy he was wearing his helmet arm pads and knee pads and he wanted to have a run on the.

They went to the skate ramp he gets excited he goes down the ramp but he still falls he gets glumpy "I'm give up!" said the penguin.

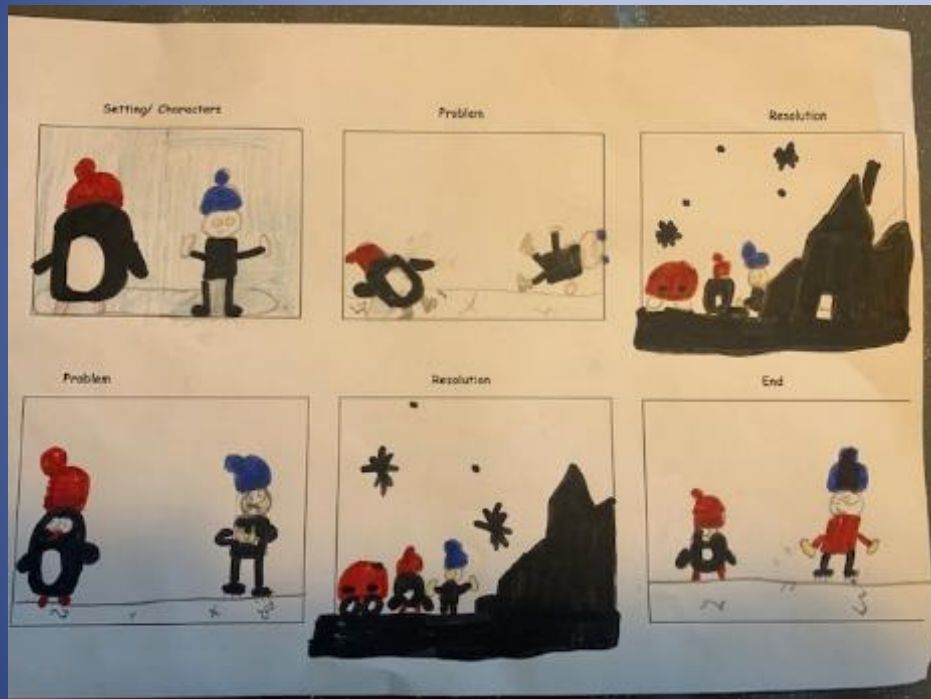

Don't give up!" said the boy.

# Ryan's story plan

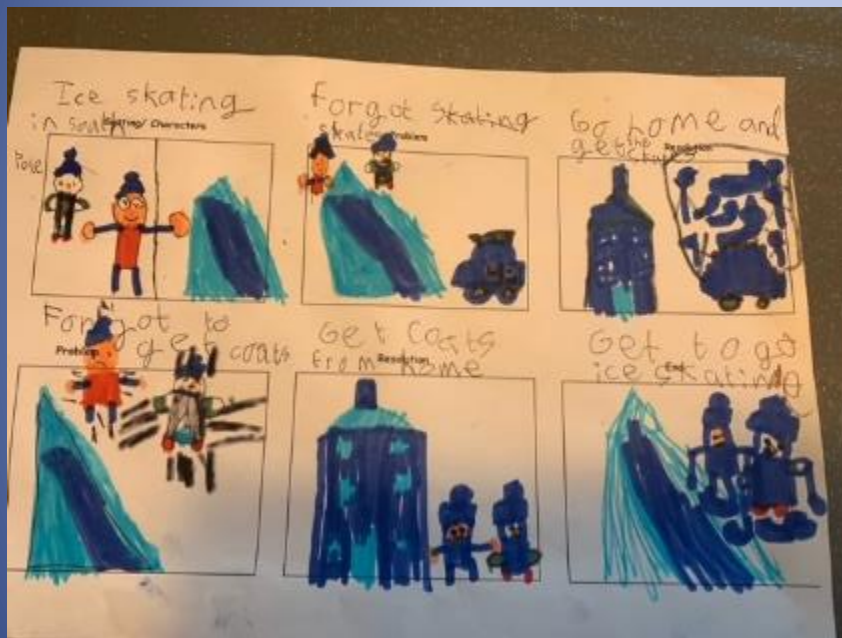

# Woody's story plan and story

It was christmas and Peto the Penguin and Jack the boy wanted to go ice skating but instead they bring wellys. Then they went to their big lily house and put some ice skates on and went back to the skating rink. But they were freezing because they forgot their coats, so they went back home. Then they went back to the ice and they had so so so much fun.

# Jude's story plan

- The Characters are the penguin and the little boy.
  - The Setting is the south pole (Antarctica).
  - The problem is they forgot there Blue Skates.
  - The resolution is to drive home and get the blue skates.
  - The other problem is they forgot there snugly warm blue coats.
  - The resolution is they go to there warm home and get there snugly warm blue coats.
  - And then finally they got to go very very very fun ice skating!
- \*- Antarctica is and the south pole are the same

# Penguins at the Circus (Clara)

And more...

# Don't miss the amazing flying penguin! (Kian)

This weekend only
