THEY

... and the stars were in the sky. She felt that ...

... I thought it was a very good idea. ...

... I liked it more. I heard Fuzzy from the ...

... the dog had slept. I liked it but when I ...

... if I notice kicked it away and went back to ...

... then I hear Mum say the birds fly ...

... carried on going. The dog found a ball to ...

... and kept patting the ball down by my feet.

... After about 10 times I picked it up and ...

... Mum that were going outside.

... I just I was a happy boy.

... Then I got a dog and my life changed.

Do you like her Toad?
