

## Get Reading

Read your school reader to yourself and/or to an adult. Write in your reading diary so that we know how well you have read.

## Stay Cool!

### Make a den in your house or in your garden

What could you use that would help you to stay cool?

You might like to use sheets to help you make some shade.

Make your favourite drink and sit inside your den

## Get Creative

### SUMMER TIME

We have been thinking summer and how we know that it is summer time.

Paint or draw a picture to show what your garden looks like in the summer.

## Get writing

### All about me

#### Write some facts about yourself for your new teacher Miss Brown

Here are some things that you might like to include

- What is your favourite food?
- What do you like doing best at school?
- How many people are there in your family?
- What is your favourite hobby?

#### Use the sentence starter "I like..."

Draw a picture of yourself as well so your new teacher knows what you look like.

## Get Mathematical

In maths we have been thinking about time. Complete the attached sheets to show your understanding of o'clock and half past.

How many clocks can you see in your house? Are they all like the clocks we have been studying?

## Phonics

### Year 1

Write sentences for these words:

measure  
treasure  
leisure

Remember to use conjunctions such as and, so, but, because

Can you use inverted commas to show that someone is speaking (remember to say who is speaking). Have you included interesting adjectives
