

## Tetsworth Primary School: PE Funding 2022/2023

The Government provides annual funding to primary schools, to specifically continue to improve the quality, range and amount of sport and PE opportunities for all primary-aged children.

The funding can only be spent on sport and PE provision in schools.

**Below are projected details of how we will spend the funding for the 2022/2023 academic year.**

**Impact of spending will be evaluated at the end of the school year.**

<b>Primary PE Sport Grant Awarded</b>		
Total number of pupils on roll		65 (this figure does not include part-time Nursery Pupils)
Amount Received by all schools		£16,000

**All amounts are projected at the start of the academic year and are subject to change**

## **PE Funding**

At Tetsworth Primary School, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sports Funding will enable us to continue and extend our provision through improving the provision of our PE and games equipment, offering more opportunities to participate in competitive sports competitions and developing our staff to deliver in-house quality PE sessions.

## **What is the Sports Premium?**

The government is providing additional funding per annum to provide schools with the opportunity to develop and improve the provision of the PE and sport they offer to pupils. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

## **Purpose of the funding**

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

## **Possible uses of the funding include:**

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers
- New or additional sport clubs
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions and increasing participation in the Partnership event
- Buying quality assured professional development modules or material for PE/sport
- Providing places for pupils on after school sport clubs and residential visits
